

#3854

Commercial Plot Petrou kai Pavlou, Limassol

€650,000

 Petrou Kai Pavlou, Limassol

An excellent opportunity to acquire a 508 sqm mixed-use plot located in the heart of Limassol. This centrally positioned property benefits from a 120% building density, making it ideal for a combination of residential and commercial development.

Situated in a highly desirable area, the plot offers easy access to all necessary amenities, including shops, restaurants, schools, public transport, and more. The location combines convenience, visibility, and long-term investment potential.

Perfect for developers or investors seeking a high-demand urban location.

Area

 508 m²
